IV. Community Health Improvement Plan (CHP) FY 24 Progress Report – 1:10 to 1:30 PM

- a. Lane County
 - i. Facilitator introduced Leilani Brewer, who referred to the agenda attachments which contained the progress report for the period of July 1, 2023 – June 30, 2024, and discussed changes since the last CAC discussion. She said the Coordinated Care Organizations (CCOs) would conduct an

initial review, then any recommended changes would be forwarded to the CAC, then shared with the CPP (Community Partnership Program). She highlighted two questions in the feedback survey:

- Q1: *How do you want to be made aware of changes to the CHP report the CCOs make?* Leilani stated that most of the respondents would like a short update about the changes, and she would ensure that is provided.
- Q2: *How should report be shared with the community?* CAC member asked if the report recommendations would be shared at community events. Leilani replied yes, community forums would be used to share report information.

ii. CAC member asked if any survey information could be shared and Leilani replied, yes. CAC member suggested creating Spanish outreach material for Facebook and Instagram.

iii. CAC member asked how soon the survey feedback and suggestions could be put into practice. Leilani shared that the final report will be shared with OHA at the end of August and staff will begin planning a community forum event for late 2024 or early 2025.

iv. Leilani highlighted the changes to the 2023 CHP progress report:

- Live Healthy Lane structural changes
- Community Health Improvement Plan (CHP) Revisions process
- Strategy Changes
- Food System Expansions
- Severe Weather Reports
- Rural Outreach Continuation
- Trillium Strategies to Meet Basic Costs of Living

v. Leilani highlighted a CHP priority for establishing community conditions, which support behavioral health and physical well-being. She shared gaps in making connections with key partners. Efforts were shared to improve the coordination of effective and efficient delivery of health care to children and youth by empowering kids to be healthy, promoting mental health, providing sexual health education, preventing sexually transmitted infections, suicide prevention, and vaping prevention.

- CAC member asked whether Spanish translation would be provided for promoting said initiatives, and Leilani said she would investigate it and provide the CAC an update.

b. Motion: Josephine Williams moved, seconded by Silver Mogart to approve the Community Health Improvement Plan (CHP) 2023 Progress Report and to receive changes made during internal reviews by the CCOs at a later meeting. The motion was unanimously approved. There were no abstentions.

V. Supporting Health for All Through REInvestment (SHARE) Funding – 1:30 to 2:00 PM

- a. Megan Romero discussed the SHARE requirement of CCOs to reinvest a percentage of earned income back into the community. She provided a survey for future funding decisions to identify priorities. She also stated that last year’s funding was allocated to rural organizations across Lane County (see appendix).
- i. CAC member asked how priorities were ranked. Megan said that rural populations were ranked the highest.
 - ii. Debi Farr shared that Trillium used the survey from last year in their processes for the 2024 SHARE grants. Trillium’s SHARE grant process is in the final stages of approval.
 - iii. Megan discussed prioritizing basic needs services and wanted to ensure that eligibility requirements were sent to all members of the CAC.
 - iv. An attendee asked Megan about the self-nomination of projects, and she said that she would contact any organizations that are recommended for follow-up.

- v. Debi Farr, Trillium clarified the SHARE grants must align with CHP priorities.
- vi. Megan welcomes CAC member participation in the review of funding applications which could occur around the end of August.
- b. Trillium Community Health Plan
